Chapter 1

Tom is due to be married in a 4 month's time but a incident on the ferry this morning will change his life. While on the upper deck in to Pittsburgh where we works for a multinational company. Tom leaning against the rail notices a female who looks like a star of those late night erotic adult movies and a complete sex goddess apers from the other side of the ferry wearing a knee length black plastic rain mac belted around the waist, stockings, high heels bright red lipstick.

The Lady stops not far from where he is leaning and is also

soon leaning against the rail, the stranger looks and grins seductively licking her red glossy lips, and Tom is soon undressing her with his eyes. Ginger was not bothered at all as she was used to males undressing her with their eyes or up skirting her when she was in clubs or bars.

Ginger could see that the male was drawn into her sexual desires and her I want to fuck eyes. Ginger then stands up straight and indicates for him to follow as she then heads down a passage way that leads to a dead end undoing the belt on her coat.

When she reaches the end she turns around holding open her coat a grin on her face. To Tom's surprise all she is wearing are suspenders, stockings, and thigh high boots.

Tom follows and totally hypnotised by the naked female in front of him. The female is soon opening the zipper on his trousers freeing his already hard cock and then she reaches for his belt and and trouser button so his trousers is soon around his ankles then followed by boxers freeing his fully erect cock.

female then sank to her knees and gave him a quick blow job.

After sucking his cock for a short while Ginger stood back up,

and Tom starts to fuck the female up against the cold steel bulkhead , female then lifts one stocking clad leg up level with Tom's waist so he grabs at and holding it there has he pumps her to a earth shattering orgasm. Just before the boat is due to dock Tom gives a loud moan has he feels himself spasm shooting hi# creamy jizz deep in to the strangers pussy.

Chapter 2

Once Tom and the female had finished fucking he pulls up his boxers and trousers and then they go their separate ways. Unknown to Tom he had just fucked Ginger the Erotic Author and become 50 in her new book she is writing called Ginger and her 50 lovers. For Ginger using this stranger as her 50th lover will destroy her and lead to a life of misery and drugs. After leaving the ferry Tom heads to the construction site where he is a senior project manager on the construction of a new office block, and he finds his friend Homer talking to one of the

construction supervisors then on seeing Tom a smirk on his face like the cat that got the cream.

'Looks like some one got fucked this morning before work was it your girlfriend?' Homer asked.

'No it was not Sue but I fucked a stranger on the boat over and she had a body of a pornstar, the female only wore a cot, and when she got me to follow her I found out she was fucking starkers under her coat. So we fucked up against a bulkhead, she had a great pair tits, and a hell of a shaved pussy!' Tom remarked.

'Well Tom do not forget your getting married to my niece Sue in a few months time!' Homer replied as they headed in to the small site office to go over the revised plans that had been delivered this morning before he had come in to work.

About midday Tom and Homer head to a local bar that served food for lunch Homer wanting more details of this goddess.

As they went to leave Tom reached in to his jacket to go and pay for the lunch and drinks but he could not find his wallet.

Homer grins pays for the food and remarks 'Looks like super stud has had his pocket picked by some sex goddess pick

pocket!"

'Homer it is either still on my desk in the office or I had left it at home!' Tom replied not realising that during the fuck on the boat the female had lifted his wallet.

Then then head back to the construction site before Tom heads home to his apartment at 16:30 PM.

Chapter 3

After leaving the boat Ginger headed home to her apartment for breakfast then after dressing placing Tom's wallet in her bedside cabinet she got dressed and headed to the book publishers with Tom's Id making him the 50th and final lover for the book.

Once at the publishers she is shown straight in to see a draft of her book, the first 49 were Congress men, sports, stars, music icons, military officers from all three services but her last one was going to be a male she met on the street.

After the meeting was over Ginger heads to lunch then home, once back at her apartment she pulls the wallet out and goes through it properly then phones a friend of hers a private investigator to find out more details for a background on Tom for her book. Then her lesbian lover one of the junior publishers calls around for a quick rug munching session, by the time they finish it is about 16 45 PM so Ginger phones his number on his business card a mobile and tells him she had found his wallet after their sexual encounter on the boat and he can come and collect it off her.

Chapter 4

Once Tom is home in his apartment he showers, has he steps out of the shower in a towel around his waist the mobile phone rings so picking it up Tom answer the phone 'Hi Tom speaking!' He remarked.

'You dropped your wallet this morning on the boat as we fucked. You can come to my address and collect it!' Ginger replied then added 'Come here about 18 45 PM!'

Ginger then gives him her address telling him to bring some champagne and some chocolates for her has a thank you!

Tom dose has he is told gets dressed then heads back in to Pittsburgh finds some chocolates and champagne before heading to Gingers address finding the door a quarter open and a note on the door telling him to just come in. Tom walks in sits down then finds another note telling him to turn on the computer monitor and the web cam where he finds Ginger laying on a bed playing with her self her fingers slipping with ease in and out of her silky smooth shaved pussy. Tom now realised that the female on the computer screen was the same person he had fucked on the boat.

After a while of watching the screen he turns off the computer and webcam then his phone rings 'Why have you disconnected from the live show I was putting on for you?' Ginger asked.

'Well I only came here to fetch my wallet not to watch a live show on the net!' Tom replied.

'Well in that case you had better turn around then and look towards my bedroom door.

Ginger stood in her bedroom doorway wearing a black silk dressing gown that came down to only her waste and is tied in the middle.

Ginger laughs put the mobile phone down and walks over to Tom undoing the ties of the robe so it fell open revealing her naked body. Just before she sits down Ginger takes it off and tosses it on to the table. Now sat down she whispers 'Tom if there is no fucky fucky with me there is no returned wallet!' in to his ear. Ginger then started dry humping him as if she was giving him a private lap dance. Ginger kissing him on his lips, forcing her tongue in to his mouth and making him suck her tongue drawing it deeper in to his mouth. She then lifts off his top after he had removed his jacket, then

his jeans and boxers came off after his shoes and socks had been removed. Ginger and Tom then start to kiss and fondle each other, and then Tom starts sucking on Ginger's tongue before they move into a 69 top and tailing Tom eating Ginger's pussy has she sucks on his swollen hard-on.

After top and tailing each for about half an hour Tom stops pleasuring Ginger's pussy with his tongue and fingers and remarks 'Ginger let's move it to the floor so I can fuck this soaking wet pussy!'

'Yes lets I need a cock in my pussy right fucking know!' Ginger

replied getting up off Tom's face and off the couch her inner thighs glistening with her pussy juice. Ginger then lays on the rug her legs apart now fingering her self just to keep her pussy nice and moist ready for Tom's cock to enter. Tom then joins Ginger on the floor sliding his rock hard cock in to her soaking wet pussy. Tom building up rhythm starts to make ginger pant but has Tom sped up his rhythm her moans turn to groans but then they became screams of sexual pleasure has orgasm after orgasm rips through her body. Has she climaxes Tom keeps fucking her flooded shaved pussy. After a while Tom could take

it no more and with a grunt shot his load deep in to Ginger's soaking wet shaved pussy.

After Tom had shot his load they rested for a while on the living area floor Ginger in Tom's arms then after a while they get up off the apartment floor then Ginger remarks 'I am off to shower!'

In a way that Ginger gives the hint that she expects him to join her which Tom dose thinking Sue would never do this fuck me on the apartment floor then expect me to join her in the shower.

Unknown to Tom Ginger was going to give him round 2 in the shower.

Chapter 5

Ginger gets in to her apartment shower soon followed by Tom

Ginger turning on the water. Tom was is on his knees licking

Ginger out and by the time he had finished he had once again

become hard. When Ginger notices this she grins then remarks

again under the shower!'

Town dose not have to be asked twice and is soon pinning her

to the back wall of the shower her legs wrapped around his

waist their lips locked together Ginger sucking on Tom's tongue

'Come on Tom your taking me to dinner!' Ginger remarked has she grabbed the same coat she had worn on the boat this very morning the only difference she was wearing clothes under it now.

'Ok but I will need my wallet back to pay!'

'No you can not I will pay this time and you only get it back after we return from dinner and you fuck me once again!' Ginger replied has she drags him out of her apartment and in to a cab which takes them to the restaurant.

Chapter 6

After finishing their dinner Ginger pays for the food then they leave but this time they do not get a taxi but instead Ginger decides they are going to walk back, as they walk Ginger turns to face Tom and remarks 'If you want your wallet back I demand drag me down one of the allies and be push me up against a dumpster or the side of a building rip open my dress and force your cock in to me against my will and rape me!'

This shocked Tom and he replied not here but when we get back in the apartment i will rape you all night and if you want I

will even treat you like a cheap whore from the streets!

'No Tom I want to fucking rape here now not back at my apartment I want to be raped in public!' not realising that in the not to distant future she would be raped for real by Tom.

'The answer is still no Ginger!' Tom replied not knowing that one day in a rage he dose rape her, Ginger being left bloodied her nose broken after the rape, then Tom soon regretting it.

So Ginger broke away from Tom and ran to wards a foot patrolling police officer screaming 'Help a male had just tried to rape me in one of the back allies!'.

Tom who had been trying to catch up with Ginger started to turn around but Ginger called to Tom and remarked 'Tom this nice patrol officer just stopped a male from raping me!'

'That is my job Miss!' The officer remarked touching the peak of his cap then just carried on walking.

'Ginger you pull a fucking stunt like that again, and we are fucking through!' Tom said then started to walk away thinking Ginger was with him but then he realised he was alone.

'Fucking bitch!' Tom added as he reached the street corner and turned to find Ginger standing there like some cheap

hooker against the side of some kids store that was closed for the day.

'So how about you take me back to my apartment and rape the shit out of me all night as promised so you can get your wallet back Tom!' Ginger remarked while grabbing Tom's hand and places in the bottom of her dress and on to her bare pussy.

'Ginger where are your fucking panties?' Tom asked.

'Well I never wear them!' Ginger replied with a grin has she then thrust his other hand in to the top half of her dress and adds

'Has you can feel fucking wear a bra on either!' Ginger added

just before Tom leans in once more to kiss Ginger.

Ginger and Tom then head back to her apartment to play her simulated rape fantasy.

Chapter 7

On arriving back at Ginger's apartment Ginger does not have time to take her coat off as she is forced over the coffee table where her dress is ripped open then both her coat and the bottom of the dress are pushed up exposing her stocking tops the straps of her suspender belt and her pussy lips by Tom who then forces her legs apart with his feet 'Open your fucking legs whore has your client is going to force his fucking cock deep into to your cunt with or without your consent has no one will believe that you were raped they will all say your nothing but a

cheap fucking street whore who got what you deserve!' has he unbuckles his belt and trousers leaving them fall to the floor soon followed by his boxers. he then pulls off his jacket and top then by using her long hair Tom pulls her to her feet and demands 'Ginger fucking strip to only your stockings, suspender belt!'

Ginger dose has she is told but a bit to slow for Tom who grabs the dress yanks it off her body so that she now stood in front of Tom Ginger now pretending to try and hide her shaved pussy and her tits has if she was being raped for real by a stranger

unknown to Ginger the next time other than tonight Tom dose this to her it wont be a game but for real in revenge.

Tom then slaps her hands away in a way that dose not heart Ginger then forces her on to her knees and forces his semi erect cock in to her mouth remarking 'Fucking suck it you fucking piece of fucking no fucking good fucking street fucking trashy fucking cock fucking sucking fucking whore!' has he forces it down her throat making her choke and gag.

After a while Tom pulls his cock out of Ginger's throat and mouth then grabs Ginger by her pony tail back to her feet and

with a hand gently around her throat he remarks 'I hope your a better fuck than a cock sucker!'

Tom then forces Ginger over the coffee table again using his feet to part her stocking clad legs before he forced his erect cock in to Ginger's pussy and pretends to rape her. Ginger is soon playing along but instead of begging him to stop she was screaming 'Oh fucking rape my street trash whore cunt make me pay for being a cheap street trash hooker!' the more Ginger screamed the more Tom would slam her cunt and then to Ginger's surprise stops then mounts the coffee

table and fucks her up the ass has if he was now raping her anal passage before returning to her pussy to finish off.

Once Tom had finished he pulls her back up by her hair spins her around kisses Ginger forcing his tongue down her throat then remarks 'I am not finished with you yet whore!' then drags her to the bedroom where he throws her on to the bed and tied and gagged with the stockings she is wearing then Tom heads out to fetch a baseball bat he had noticed and more stocking for him to secure her feet to the bed posts. Tom then uses the bat to rape Ginger on the bed before he replaces the bat with his

cock then rapes her again on the bed Tom fucks Ginger

in ages, no one has ever used my baseball bat to do what you
did thank you Tom!'

Ginger then adds 'I am off to shower and your joining me no

arguments Tom!

'OK Ginger I will but I am not raping you again and no arguments!' Tom replied as they got up off the bed.

'Good as I think you have raped me enough tonight!' Ginger remarked then kissing Tom on his lips she led him to the bathroom, turning on the shower then stepped in pulling Tom in after her.

Chapter 8

Once both Ginger and Tom are in the shower they started kissing and sucking on each other's tongues before Ginger kissed her way down Toms body sucking on his nipples then licking his chest and bellybutton before reaching his cock that was now rock hard once again.

Ginger took Tom's rock hard hard-on in hand rubbed it a while has she sucked on his balls then kissed his purple mushroom head of his cock teasing it with her tongue which then ran along the length of his thick meaty shaft, next she teased his piss hole

before plunging it in to her mouth and down deep in to her throat. Tom moaned loudly has he had never been deep throated like this by Sue when she would suck him off. Ginger started working her head back and fore some times making gagging and choking noises has she expertly deep throated Tom, at one point her nose and lips were berried in Tom's pubic mound. Ginger would suck and hand job, lick, tease Tom until he could hold back no more and he pumped jizz deep down Gingers throat which she swallowed like a trash street walking whore.

After the shower blow job and showering together they step out dry them selves down and they head in to the living area of the apartment where Ginger hands to Tom His wallet which he slips in to his jacket pocket on the floor then turning back to Ginger 'Lets go back to bed has I want to stay the night if it is OK with you?' Tom asks.

Ginger a grin on her face replied 'What a great idea but you must know I sleep naked!' Ginger replied taking Tom's hand and leading him back in to the bedroom.

Has they make their way Tom kissed a Ginger in the cheek.

Then lightly spanking Gingers ass and groping her breasts

After a short while Ginger screams 'Tom I want your fucking cock inside me making me climax and I want the feel of you

splashing your jizz against the pink flesh of my pussy!

Tom who had by now become rock hard again slips his big meaty hard-on in to Gingers pussy and started fucking her slowly at first as he built up his rhythm and he is soon pumping hard as he fucks Ginger. Now their once more fucking Ginger is moaning and panting in sexual pleasure as her first of many orgasms builds up then with a scream it explodes and she is soon drowning out the sounds of the bed springs as they fuck missionary. Tom replied then leaving Ginger to ponder his offer he headed off to shower. Has he stood under the shower the shower curtain closed the water running he did

not hear Ginger open the bathroom door then walk in to the bathroom and only realised that she was there was when Ginger opened the plastic shower curtain to be greeted by the sight of Tom jacking off under the shower. 'Is the offer still open for me to join you or are you just going to give your self a fucking hand job under in my shower?' Ginger asked her hands on her waist.

'Oh you have caught me , but Ginger I would rather have you suck me off in the shower!' Tom replied a bit of a surprise in his voice that sounded more like a teenager being caught by his

female teacher jacking off in class.

'Well Tom you had better drop your fucking cock if I am getting in here with you!' Ginger added as she steps in to join Tom under the shower.

Once Ginger is in she closes the plastic shower curtain again and they start to kiss Ginger's tongue soon exploring Tom's mouth as he sucks it in then it's his turn to explore Ginger's mouth with his own tongue before they break off the kiss and Ginger then starts kissing her way down Tom's body teasing his nipples with her tongue then Ginger continues to kiss her way

Once he is back in his apartment the first thing he does is check for any messages from Sue about today's suit fitting and what

time me needs to meet her first, but instead Sue has left him a message saying that she can not make the fitting today has she is out of town with some friends but in reality she is spending weekend in a expensive New York hotel room fucking her boss while his wife is away.

'The bitch she knew I had a suit fitting today but she thinks it is more important to be with the brides made getting fucking pissed. 'Tom how would you like to make it a threesome me, you and my female lover?' Ginger asked with that glint in her eyes.

'fuck me yes I would love to make it a threesome if your friend is OK with it?' Tom replied as he follows Ginger back into her apartment putting his sports bag, the flowers and the French champagne down, Ginger leads Tom in to the bed room after she had stripped him in the living area Ginger also taking off her own robe and grabbing the discarded strap on dildo putting it back on for the bi threesome which unknown to Tom the other female is one of the publishers junior members who is having a

affair with Ginger. They walk in to the bedroom where they find Ginger's female lover laying naked on the bed, the female unlike Ginger had a full bush of thick black pubic hair on her pussy.

Tom on seeing the naked females full bush pussy almost came straight away, when Ginger notices this she whispers 'What do you think of that furry bush lover will that do for our threesome?' Then adds 'Tom hope you do not mind me swinging both ways?'

'No I love it when a female swings both ways!' Tom replied

knowing he likes to swing both ways him self.

The female started to give Tom a hand job while Ginger had her strap on in the females hairy pussy, then after a while Tom takes over from Ginger and fucks the female while Ginger out of her strap on dildo sat on her bi lovers face facing Tom a grin on Ginger's face has she has her shaved pussy licked.

So now with Tom starting to become rock hard Ginger stops the kissing then starts to teasingly kiss her way down his body twanging a suspenders belt strap against his thigh has she reaches his now erect cock. Ginger teases it for a short while before taking the whole length in to her mouth so she can suck

him off. Has she sucks on Tom's member she gags and chokes loudly turning Tom on even more his hands on the back of her head guiding her back and fore even pinning her to the base of his shaft just to make her choke. Soon Tom can take no more of the blow job and with a moan has he pins her again to the base of his sex shaft he fills Ginger's mouth and throat with his hot creamy load.

having his suit fitting. They reach the tailors and head straight in where they are greeted by an oldish male who must be in his late 60's to mid 70's they follow him to the back of the shop where different suits for trying on are hanging up. Tom tried the first two on but did not like them but the third was the one he liked and has the tailor marked out where it needs alterations Ginger sat on a chair facing Tom crossing and uncrossing her legs, even giving him a chance to see up her skirt at her black panties a damp patch on the front of her panties. When Tom heads back to the changing room to change Ginger followed

him back and in to the changing room where she kissed him and asks 'Tom have you ever done in in a shops changing room with a lady?'

'No Ginger have you?' Tom replied .

'No it is my first time has well!' Ginger remarked that same wicked twinkle in the corner of her right eye and the grin on her lips signalled well you are going today to do it with me in this changing room.

Ginger then put her hand bag down undoes the zip on her mini skirt lets it fall to the floor soon followed by her panties. Ginger

kisses Tom again then whispers 'Feel how wet I have become!'

They sit at a small booth where Ginger then places his hand up her short mini skirt and on to her still wet shaved pussy. 'Ginger what have you done with your panties!' Tom asks dreading having to go back to the tailors and explain that Ginger had lost her panties in the one and only changing room after they had fucked.

'Don't worry Tom their in my bag!' Ginger replied

Then adds 'Tom I do not know about you but being in here where it is possible some one will see my bare beaver is making me horny and gagging for yet another good fuck!'

'Ginger I am also gagging for round 2!' Tom whispered in to Gingers ear.

So they stand up leaving their coffees Ginger drags Tom in to the ladies wash room; in to a cubicle where they strip after locking the door. Ginger is soon giving Tom a blow job then after sucking and teasing his cock Ginger has him to sit on the toilet, Ginger then mounts Tom cow girl and starts riding him

Tom's hand holding her waist, has she bounces up and down
Ginger has her arms around his neck pulling his face in
between her tits has she climaxes. Once Ginger has climaxed
a few times it becomes to much for Tom's who climaxes filling
Ginger with yet another cream pie in her pussy.

Chapter 16

After fucking in the bathroom stall they dress in the stall, while Ginger checks to see if there is any other female in the ladies bathroom, after Ginger had checked that there was no one they walked back to their private booth on returning they finish their coffee then head back to Ginger's apartment going up in the private elevator. Tom pins Ginger to the metal side pull down his trousers and boxers then pushing up Ginger's mini skirt he fucked Ginger in the freight lift, has he pumped away they share a kiss sucking on each other's tongues her ear lobes holding

one of her black seamed stocking clad legs against his waist
her arms around his neck. Ginger soon starts groaning then
screams has her first of many orgasms, Ginger is screaming so
loud they do not realise that the lift had stopped on Ginger's
floor, they only realised after what felt like a hour of her
screaming orgasms and Tom finally surrendering his cock juice
to Ginger's pussy that they realised they had stopped.

Ginger waits for Tom to pull up his trousers, his boxers then
with her arms wrapped around his neck Ginger jumped up,
wrapped her black seamed stockings around Tom's waist then

made him carry her back to her apartment his hands on her ass
their lips locked together, her mini skirt was still pulled up
showing she had no panties Ginger's hand bag still hanging
from her shoulder. Then with one arm still around Tom's neck
she got the door keys from her bag let them in to the apartment,
once through the door tossed her hand bag on to the couch
then was carried by Tom straight in to the shower.

Chapter 17

Once in the shower and the water was running a still fully dressed Ginger was lowered to the ground by Tom, with out a word she kissed Tom sucking on his tongue like she normally would before sinking to her knees opening his trousers, pulling both Tom's trousers and boxers down revealing his well hung shaved semi erect cock. Ginger teases it a bit kissing and licking his rapidly swelling cock head the shaft and even sucking on his balls. Soon Ginger has Tom rock hard, now she takes him fully in to her mouth, starts to suck Tom off. Ginger is

soon gagging and choking has she suck him deep in to the back of her throat, Tom even helping her along by placing his hand on the back of her head pumping her along or ginning her to the base of his shaft even causing her to caught then almost vomit has she gagged. Soon Ginger was swallowing his load of cream jizz has he moaned, after Ginger had sucked Tom off their clothes made her look like contestants from a miss wet t-shirt contest and Tom from a Mr wet boxers contest so they both stripped under the running shower before Tom gives a still sexually aroused Ginger a good pussy licking.

Soon Tom's expert pussy licking soon started Ginger panting, then moaning, even groaning as his tongue exploited the pink inside of her pussy or he licked her inner thigh but these soon turned in to unearthly scream as if all of her muscles just exploded like mini atom bombs which in turn causes a chain reaction as her body goes in to wild spasms her whole body shaking hands in sexual pleasure has orgasm after screaming orgasms rip through her body. Once Ginger had finished climaxing she kissed her way back up Tom's body where they share a kiss again then Ginger after noticing that Tom had a

glorious wood remarked 'Tom before we leave this shower I want to be fucked!'

'With pleasure Ginger!' Tom replied.

Ginger turns to face the tiled under the running shower bending over as if she was sucking another cock or a dildo secured to the wall. 'Lover take me fucking doggy style!' Ginger moaned.

'With fucking pleasure Ginger!' Tom replied as he got into position behind Ginger the shower water running no more like rain falling from her body on the shower floor. So Tom is sliding his rock hard prick in to Ginger soaking wet pussy even

making her gasp much more louder then normal when he slips his cock into her cunt. Tom had made her so wet that his cock faced almost no resistance has he started fucking her. Soon Ginger was moaning and groaning has Tom slammed away then she screamed has if she was in pain has a massive orgasm broke in her body, it was so explosive that she thought it was going to rip her in half Tom now having moved his hands so that they are groping her tits. Soon Ginger has another orgasm much like the previous one screaming like she was in pain not in sexual pleasure. They next switch to Ginger her

back to the tiled wall her legs around Tom's waist her arms around his neck Tom still pumping away, Ginger screaming like a banshee but not as loud as before her body in multiple orgasms.

'Oh fuck yes that is it Tom just keep fucking my cunt you fucking well hung fucking stud. Oh Jesus fucking Christ here is another one!' Ginger screamed has another one that feels like it is going to rip her cunt and body in to two halves through her body. This is so massive that she actually squirts out of her pussy even though she has Tom's cock in her cunt. Soon all her

screaming becomes too much for Tom who moans 'Jesus help me I am going to fucking cum!'

'Oh Yes let me have it all Tom let me feel it shoot deep in to my fucking cunt, splash it against my cunts pink flesh make me cum one more time!' Ginger replied as Tom shot his load deep in to her pussy.
